

# **STOP FORECLOSURES IN NORTH MINNEAPOLIS!**

## **A night of door to door outreach with Jewish and northside volunteers**

Volunteers with Jewish Community Action (JCA) and the Northside Community Reinvestment Coalition (NCRC) are visiting hundreds of residents and tenants this spring. We want to stop the foreclosures and evictions that are hurting our community and draining our community wealth. We are connecting people with free and effective foreclosure and tenants' rights counseling. Please join us!
