

**It's Not *What* You Know . . .**

HELP! Jewish Community Action and our Hekhsher Tzedek volunteers are looking for people who know people, not necessarily in "high" places, but just in the right places. We are beginning to make contact with some of the local/regional kosher food producers, to seek opinions and make relationships, to advance Hekhsher Tzedek toward implementation. If you or someone you know has **any** contacts at any of the following businesses, or any other local/regional producer of kosher foods, please contact Melissa Rudnick ([melissa@jewishcommunityaction.org](mailto:melissa@jewishcommunityaction.org), 651-632-2184).

**Note:** Thank you to the Jewish Community Action members who created this list! Please note, some of the producers listed above make kosher and non-kosher food. Just because a producer appears on this list, it does not mean that all their products are kosher. Additionally, let us know if you think we've missed any producers or if any information is incorrect. Thanks!
